

INVESTMENT STRATEGY

Nest Adjust Global fund Ltd. aims to provide return in excess of MSCI World Index in the long term. The fund follows a strategy focused on global equities. The primary investment objective of the Fund is to achieve long-term capital appreciation through a strategy that combines thematic investing to identifying and capturing structural trends plus a top-down sector approach with an in-depth analysis of companies around the world. The Fund's investments will be focused on a global basis in a broad range of securities and financial instruments, including but not limited to, stocks, ETFs, bonds, currencies, commodities, futures, swaps, options and other derivative instruments.
